Rectors Letter

I can't believe that it is that time of year again. Exams pretty much over, people heading off on holiday or spending time in Wexford or Wicklow or wherever else they might have holiday apartments, mobile homes etc!

The first Summer after I arrived, I was shocked how many people were away, but you always seem to come back, which is a relief. As you may be away, I myself will be away from Thursday 18th of June, returning on Saturday 11th July.

It can't be stressed how important it is that we should all get a break, recharge the batteries and come back refreshed and ready!

I wish you all a relaxing and enjoyable Summer and I hope the weather will be kind!

Stay safe and God Bless,

Reverend David Bowles

I Treasure What We Share

Recently, your rector, Rev David Bowles, and I agreed that we would each write a short article for each other's Summer Newsletter - so here goes.

I am very grateful to David for his personal friendship in the four years that he has been with you in Whitechurch, and very grateful too for the very positive leadership he continues to give in the whole area of inter-church relationships. Of course, it is not easy to think about Whitechurch without thinking of Rev Horace McKinley. He was most encouraging to me when I first came here. Happily, he and Pam are very much alive and with us; long may that be.

In the 46 years of priestly ministry that I have been privileged to serve in a variety of parishes, one of the issues that has been of most concern to me has been the divisions - sometimes sharp divisions - within the Christian family. Many of you may know that I grew up in Cavan, only a matter of a few miles from the Border. Growing up there in the late 1950s and early 1960s tended to highlight our differences as Christians rather than what united us. In the farming community with which I was familiar, we regularly worked together, sharing and helping each other during the week, while on Sunday we all went down the same Farnham Street (to our respective churches - in Cavan all the churches were on that street), but we seemed to keep our distance from each other. I was blessed to get to know some members of the Church of Ireland community, and one in particular always emphasised the great Christian heritage we hold in common. We had far more in common than what divides us.

I resolved then, as a young man, that if I ever had the opportunity to encourage that spirit of working together, I would gladly do so. Thankfully, in several of the parishes where I have worked, that has been very possible.

My own short personal summary is this: let the theologians and the great minds get on with the work of sorting out our differences, while letting us more ordinary mortals get on with living out the Gospel in the ordinary events of each day. May God bless you and your family. May you enjoy and have a good rest during the summer.

The Beatitudes over the Summer with The Rev Michael

Would you like to think about The Beatitudes? Some of us are reading a section at a time over the weeks of July and August. If you would like to receive an email from Rev Michael each Monday, with the verse and a few thoughts, please email him with your details and he will email you each Monday.

We will then **LISTEN** to God's Word - **LEARN** from God's Word - **LIVE** out God's Word together! It will take no more than a few minutes each time!

Pilgrimage to St. Colmcille's Well

On Saturday the 7th June we joined our ecumenical neighbours for a Pilgrimage to St Columcille's Well in Knocklyon. Some of us met at the SuperValu car park in Knocklyon and walked to the well. Others went straight there! Fr Tim Lehané gave the reflection and there was beautiful music and prayers. It is a special annual event and a lovely thing to be a part in! The weather behaved itself too, many thanks to all who came and also who worked so hard to make it a success.

Baptism

On Sunday 31st of May, Trinity Sunday we held the baptism of Ella Sophia Watchorn. It was a lovely occasion, kicking off a Summer of Baptisms! Ella was in great form smiling at everyone. We look forward to seeing Ella grow in Christ amongst our parish community. No better day to be baptised than Trinity Sunday!

Diocesan Hockey Tournament

Well done to Whitechurch Parish Hockey Team. On Sunday 23rd of May we entered a team in the first Diocesan Hockey tournament in many years! We really enjoyed a lovely sunny afternoon. Our team was ably managed by Gail Garry and Jane Connolly and we really appreciate the time they gave, the team that played and also Zoe Mulligan for providing us with delicious baking on the day. We finished off in 3rd place which is very commendable. We look forward to next year!

Whitechurch National School

(www.whitechurchns.biz)

It is hard to believe that we are nearly at the end of the school year! This week all classes are going on their school tours and there has been some lovely weather so far! Junior and Senior Infants went to Glenroe Farm where they enjoyed visiting the animals, even holding a few of the tamer ones! They also had a great time in the adventure playground, maze and carting area amongst lots of other activities! 1st and 2nd Class went to Kildare Farm and Outdoor Adventure Centre. They visited the heritage cottage, fairyland and the duck and wetlands area. They also enjoyed the various animals as well as a fantastic train ride, some VR adventure activities and then time exploring the sensory playground. 3rd, 4th and 5th Class went to Emerald park in Meath where they took lots of rides, visited the Zoo area and took part in outdoor adventure activities. At the time of writing, 6th Class are excited about going to Carlingford Outdoor Adventure Centre for their big trip where they will be taking part in lots of outdoor and adventure activities including canoeing, high rope circuits, mazes and team building activities. They will also be stopping off at Burger King on the way home for dinner after their long day.

We wish all of our graduating 6th Class pupils every best wish as they move on to various secondary schools next year including St. Columba's College, Wesley College, Newpark Comprehensive, Rockbrook and Terenure College. We thank also those families who are leaving us as their last child is finishing primary school - many have contributed hugely to the school in various ways over the years through volunteering, hockey, PTA etc. It is part of what makes Whitechurch NS such a special place and it is always lovely to keep in touch with our former pupils and parents. Indeed, we were delighted to welcome back a number of pupils from last year's 6th Class this week who came to answer questions the pupils have about secondary school!

We have also been enjoying lots of sports over the past while as we held our annual 'Active Fortnight'! This saw orienteering, trips to the park, Cricket, tag rugby, active stations, sports day, dance and the ever popular Teachers vs Pupils competition. We think that Rev'd David helped the staff to win with his excellent egg and spoon run! The Student Council organised a super assembly and as part of their Student Council Day this year, they had a turn running things with announcements, assembly, some class lessons and activities. They also decided that all the pupils and staff deserved ice creams which was a decision that went down well with everyone!!

As you know from our notes to parishioners asking for messages for a retirement book, Mrs Yvonne Shirley will be retiring at the end of this school year and we were glad to be able to mark her fantastic 40 years at WNS with a few events - we held a special surprise assembly where there were speeches, old photos, memories from pupils and a number of songs and poems performed by the children with the theme of 'Thank you Mrs Shirley'. Rev'd Bowles and Ms Richards presented Yvonne with a gift from the Board of Management and a memories book compiled of messages and photos from current and previous pupils, staff and school parents. Yvonne gave a

wonderful speech recalling many happy memories going back to the old school which is now the parish hall. Yvonne started at the school in 1986 and has been instrumental in shaping the work of the school both academically and also through the many events that she helps to organise each year such as sports day, Book Day, Mini Fair Games etc. Yvonne is a wonderful teacher, so dedicated to her pupils and always at the cutting edge of teaching methods and technologies. We are so glad to have had her at WNS for her entire career and she has without doubt, left an enduring positive impact on our school. On Sport's Day, when all parents were gathered, the PTA made a presentation to Yvonne on behalf of all families. Thank you Mrs Shirley for all you have done in Whitechurch! We wish you good health and every happiness in your retirement!

Wishing everyone a lovely summer break from all at Whitechurch NS!

Whitechurch Ladybirds

Whitechurch Ladybirds have just completed their first year back in action and have all completed and received their year 1 Discover badges. The girls have covered topics such as World Book Day, having an active body, helping out at home, what to do if you get lost, dangers in the home and how to apply plasters when needed.

We've played lots of games, created lots of art, rambled around Marlay Park and of course made some smores on the campfire.

We will miss our five ladybirds who are ready to fly on to Brownies next year but are happy to welcome any new ladybirds into our garden on Friday evenings.

Zoë Phelan and Susan Freeney

Whitechurch Brownies

We have had a busy few months in Brownies.

In February we enrolled 9, they all worked really hard learning their promise and completing their pre-enrolment requirements. We had a lovely evening, and all the girls played an important role in making it special.

In preparation for World Thinking Day we played Food Monopoly, the girls had a great time and enjoyed tasting and rating food from around the world.

We paid a visit to Ballyroan Library for World Book Day, where the girls made bookmarks and learned about all the facilities in the library and earned their book lover badge.

Ruth from Colour Creations helped the girls create beauty painted glass pieces for mother's day, we had a special visit from a non-uniform garda who talked to the girls about the role of the garda, showed them some of the equipment used, put their minds at ease and answered a million questions, I think we have a few future candidates for Templemore. We did our usual visit to Marlay Park, a scavenger hunt whilst learning interesting fact about Rathfarnham Castle.

We had a jam-packed weekend away to Lough Dan, the girls make lots of memories, earned their Cook Badge with the help of the lovely ladies from Baking Memories who came in and made pizza's and decorated cupcakes with them. They also made fairy doors, completed their Cyber Security and Techno Badges, had a water fight, ate s'mores, drank hot chocolate, played in the lake and joined the scouts for a campfire and camp songs.

We finish off the year with a trip to Forest Kids up at The Gap in June, say goodbye to 9 Brownies moving to guides and look forward to seeing everyone in September.

None of this would be possible without the leaders and our amazing 5th year student Chloe.

Whitechurch Brownies Leaders – Hazel, Mariead, Zoe, Lily and Chloe.

Whitechurch Guides

Whitechurch Guides have been busy since Easter - we helped run Guess the Name of the Teddy at the parish fete on a lovely sunny day. In May we ran our car wash morning, for those who bid at the Dream Auction last November. An odd splash or two not quite in the direction of a car wasn't the worst activity for a drizzly Saturday! You might have seen the photos on Facebook.

Most of us are preparing to go to Regional Camp in Wexford with 300 others Guides in June, with activities of crate stacking, raft building, team challenges and high ropes. We've been learning how to pitch and strike our replacement dining shelters after Storm Floris wrote off older ones in Kildare last summer.

We've done some advance planning for our own smaller trip to our Guide World Centre, Pax Lodge in London later in the autumn. We're also looking forward to meeting the girls who will be moving up from Brownies in September, they're invited to join us for a cook out for our last Tuesday evening before the summer break.

We very much look forward to several of our TY Gaisce helpers returning to help again for another year - they are a great addition to our leadership team.

Thanks as always to our volunteer leaders and families for their support.

Doreen, Rosemary and Ruth

Whitechurch Scouts

Our cubs and scouts have been busy for the last few weeks. The cubs have spent some of their energy in Marlay Park on a few occasions and were up at Larch Hill Scout Centre on the climbing wall.

The scouts hiked the horseshoe route of Kilmashogue and Tibbradden Mountains, a route only accessible to scouts, as it involves hiking through Larch Hill. They set up camp in Grange Golf Course for the night and cooked their dinner, carved wood and chilled for the night.

We have a joint cub and scout weekend next month to Glendale Wilderness Lodge where we will have our 4th of July themed weekend.

Whitechurch Junior Youth Club

What a great year it has been at Whitechurch Junior Youth Club! We have regularly welcomed more than 20 children each week, making every Friday evening full of fun, laughter and plenty of activity.

Over the last few months, we have had brilliant games nights with prizes, an Easter egg hunt, karaoke, face painting and lots of other exciting activities. The tuck shop has been a big hit as always and is a favourite stop for many of our members each week!

We are excited for our end-of-year trip to Wicklow Archers, which will be a fantastic way to round off another successful year. The trip will include archery games, friendly competition and some well-earned sweets, as well as the chance to test our archery skills. We can't wait to find out who will score a bullseye.

Youth Club has been great fun this year, and we have really enjoyed getting to know all the children and seeing friendships grow. Their enthusiasm and energy are what make the club such a special place.

A special good luck to all our 6th Class members as they move on to secondary school and Senior Youth Club. We hope they enjoy this exciting new chapter. We are already looking forward to seeing our 5th Class members back in September for another year of fun, friendship and great memories.

Have a wonderful summer, and we'll see you in September!

Zoe Mulligan

Whitechurch Indoor Bowls Club

We have come to the end of another Bowls season and had an enjoyable, if unsuccessful, year.

As in previous years, we entered teams in all four leagues and two knock-out competitions organised by the Dublin & District United Churches Indoor Bowling Association and whereas we did well and enjoyed our season, we did not take home any silverware. We'll just have to try harder next year!

Our Club competitions were not all completed by the end of the season due to members being on holiday and the final of our Pairs Competition will be held in September. However, we did manage to complete the Men's and Ladies Singles – the winners being Har Allison and Susan Paul. As is customary the Winner of the Men's competition plays the Winner of the Ladies competition for the Zena Baird Trophy. Har Allison was the winner of the trophy this year.

Many things were discussed at our AGM at the end of April including how the work on the Sexton's house could impact our Club and Match nights and we hope that any disruption will be minimal if the needs of organisations are taken into account.

We had a very enjoyable end of season Dinner in Bijou in Rathgar which was attended by most members and their spouses/partners.

Mothers Union

February....We were given a masterclass in Flower Arranging by Naomi Mulligan! (who this year won Gold at Bloom in the Novice Section)! We raffled off the wonderful arrangements she made for us in the demonstration! Thank you Naomi.

March...Pat Marchant introduced us to Yoga in a very meaningful way! Pat is a fully qualified Yoga instructor and we are very grateful that she took the time to enlighten many of us who hadn't done it before!

Many thanks to so many Parishioners who supported our Annual Famine lunch after church in aid of MU Charities and the total amount raised was €305!

April On Friday 17th April we had a lovely walk along the Dodder River from the Dropping Well going west and we enjoyed coffee in the Dropping Well afterwards.

May....Five of us attended an afternoon tea to mark 150 years of Mothers Union in Ireland in Castleknock Parish! It was a most enjoyable afternoon!

June....Six members attended the Dublin Bay cruise from Dun Laoghaire to Howth. We had a lovely lunch in Brass Monkey restaurant on the Pier and returned to Dun Laoghaire on the Dart! This is our last meeting before the summer break and was most enjoyable with a good few laughs.

On Sunday 9th August there will be a service of Thanksgiving to mark 150 years of Mothers' Union in Ireland, to be held in Christ Church Cathedral at 3.30pm. The Preacher will be Lady Eames (former World Wide President) and Rev Alistair Doyle will be commissioned as MU Chaplin at this service.

Wishing everyone a summer blessed with warm weather.

Whitechurch Badminton

Badminton takes place on a Wednesday evening from 8.00pm - 10.00pm in the Old Schools Hall. We are a small group of ladies and occasionally one gentleman who play social badminton and enjoy the chat as much as the exercise.

We would love to see a few new faces, so if there is anyone over 18, male or female, interested in a spot of exercise and good fun please do get in touch with me.

We play from September to May, do not play league matches and as we are of mixed ability, any standard of player would be very welcome, even beginners.

Please contact me on 086 3647746.

Healer Prayer

Our Healer Prayer Union holds a short prayer service on the 2nd Sunday of every month, following the regular Sunday morning service (excluding June, July & August). All parishioners are welcome to attend. This provides an opportunity to take part in intercession for those who have requested our prayers. There are eight intercessors each of whom receives a list of those for whom we have been asked to pray. The first names of those on the lists are read out in the monthly prayer service and the intercessors pray daily for those who are sick or who may be in any special need.

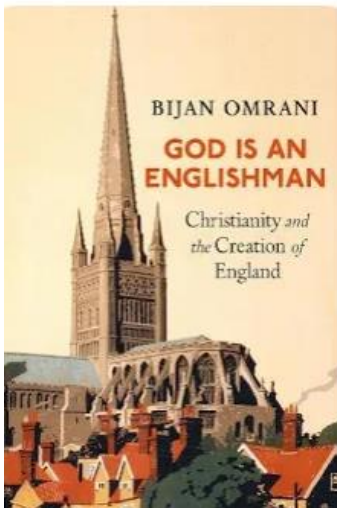

A special word of thanks to all the intercessors and to those who attend the monthly services to pray for the sick. It is always a short but meaningful service. Should you wish to submit the name and brief note of the illness or need of any person known to you who is in need of prayer please contact me at any time.

Currently there are more than 50 people on the lists, many of whom are unknown to me. So, if you know of anyone who has been prayed for or has been on a prayer list for more than TWO years, please let me have an update as soon as possible so that I can change the lists accordingly.

Book Review by The Rev Michael Heaney

God is an Englishman by historian Bijan Omrani.

Bijan Omrani is a British historian, journalist, teacher, barrister and author of Persian descent. His work ranges from Classical scholarship to cultural and religious history, as well as current affairs across Asia.

Omrani was born in York, England, in 1979. He studied at Wellington College, before reading Classics and English Literature at Lincoln College, Oxford. He later studied at King's College London. He has a doctorate in Classics and Ancient History from the University of Exeter.

When I opened the book, I wondered would I ever read it through? I took it slowly, chapter at a time! The intriguing 'narrative' of the influence of 'Christian' ideals, ethics and morality which underpins the history of England slowly was unfolded. From Kings in their 'palaces', politicians in the parliaments and clergy in their monasteries, cathedrals and churches, to the 'citizens' in the field and later factories and schools, the Shadows of the Ten Commandments and The Beatitudes informed the discussions and outcomes over the years. Omrani insists that there has been a constant 'reference' to the teachings of Jesus.

Omrani divides the book into two parts. In Part 1 he covers what he titles, *What England Owes to Christianity*. While every part has its immense value, I would pick out chapters 8 and 9 for special reference. Chapter 8 deals with the dramatic influence of the Translation of The Bible into English which has influenced both literature [cf. Shakespeare] and Art; but most importantly Education in and through The Church. Chapter 9 explains the importance of Church Music [hymns] post Reformation, in the 'psyche' of England.

In Part 2 the title is, *What Christianity still can give*. I found 'it gripping'! The 'scene' moves to the contemporary and almost 'rushes' breathlessly though the 20th and into the 21st century. Omrani looks at many current 'issues' in Church and State. He found that it is/was the secular and the humanist agenda that has been the root of the discomfort we experience now [which if it exists] rather than the multifaith agenda, that has caused any 'disaffection' with Christianity. Consequently, he explores issues arising in Church and Education; in healthcare, and industrial relations. Generally, he is addressing the move from the social/community to personal/me behaviour in England today. For me I found chapter 15 fascinating. The development of Education from its Church/Christian foundations and through the years, to the present tensions we observe.

In conclusion, this is a book for the academic research student. It is well recommended by Peter Frankopan – *Finely judged and beautifully written* and has an excellent Notes and Bibliography. It is also for everyone who is interested in exploring the reasons why we should and need to cherish and nurture our Christian inheritance.

In honestly recommending **God is an Englishman**, I would suggest that those who feel daunted by the small font and packed 348 pages, should go straight to Part 2 and read from chapter 13 to the end (ch.18). And, though the title includes 'an Englishman', the contents of the book can be relevant to any English-speaking country of today and beyond!

God is an Englishman by Bijan Omrani. Is available from any good bookshop or online from Amazon. I have a copy and am happy to lend it to anyone who asks me for it!
